Junior Videographer / Editor

About us:

We're a small start-up video production agency who produce mainly micro budget music videos, commercials & corporate videos with over 50million combined online views. Our current team are all a relatively young bunch of filmmakers who do what we love and love what we do! Our previous clients include artists such as Hobbie Stuart, Ghetts, Lethal Bizzle, Dizzy Rascal, Little Mix whilst our roster of directors have shot videos for SNE, Hardy Caprio, Paigey Cakey, Rapman and many more. Other commercial/corporate clients include EY, Lloyds Banking Group, Siemens, NHS and Asda.

The job role:

We're looking for someone to join our team in a Junior position as a Videographer & Editor delivering fast creative content for our growing number of clients. This will be a part-time role working from our North London office with option to go full-time in the near future. You will be reporting to our Senior Videographer and must be flexible on shoots, putting on many different hats and be able to work as part of a team as well as a self-shooter.

This is a great opportunity for a recent graduate or someone with a few projects under their belt but looking to get consistent work and build up their portfolio, whilst working with many different artists & small businesses as well as broadcasting their work on many popular digital platforms.

The projects will be varied and you will often be left to manage your own projects, delivering edits to clients. Due to the nature of our work, there may often be some weekend shooting, however you will receive time off in lieu.

Some of the skills we're looking for include:

Candidates must be able to shoot on the Blackmagic URSA Mini Pro, Sony FS7, Sony A7S/ii and Panasonic GH4/5 although some training can be provided. Candidates must be proficient editing on the latest Adobe Premiere Pro software with experience in Photoshop & After Effects preferred but not essential. Ideal candidates will have a mixture of work in their portfolio however we're looking for someone with a good eye for video production, lighting & storytelling. You will be expected to have knowledge of Microsoft Office as you will be producing invoices and call sheets as well as creating treatments.

Salary:

You will be offered a competitive salary dependant on experience and above the National Living Wage. We also have a performance based commission programme which you will automatically be enrolled into.

If you think you possess these attributes and are interested in this opportunity, then please email your CV/cover letter and any examples or reels of your work to the following address:
